directions

- km 0** **Please drive from the airport on the LP 5 towards Santa Cruz/ Los Llanos**
- km 4,5** **Use the Exit „2A" towards Los Llanos (LP 3). 100 meters further on you reach a roundabout, go to the right towards Los Llanos.**
The road bends up the mountain, first through little villages, later on through forests of laurel and chestnut trees. After passing a tunnel (very old) you reach the western side of this island.
Attention, mind the speed limit near the visitor-center (centro de visitantes) **s p e e d t r a p !!**
At Km 28 you will be passing the village of El Paso
- km 34** Shortly before reaching the city of Los Llanos you find another roundabout.
Choose the LP 2 to Tazacorte / LP 1 to Tijarafe, and you will cross two more roundabouts towards Tazacorte/Tijarafe.
- km 38** **After passing the aqueduct on your left side turn off to the right (LP 1) towards Tijarafe.**
The road leads down to the famous „Barranco de las Angustias“ and behind the little bridge upwards to Tijarafe. You climb up and reach at Km 47 the viewing of EL TIME.
- km 49** Following the main road you reach La Punta. There you find a fairly long straight piece with a **CAR BAR on your right side with a parking lot.**
I live some meters above and will fetch you there. Please dial my telephone number 0034 922 49 12 36 or mobile 0034 618 483 299.
You will reach my Finca Las Palmeras driving 200 meters more at the main street, passing a rock face, turn off sharply to the right into a little unasphalted private road with a sign PISTA PRIVADA. Follow this track to the end where you will find parking places.
